Junior Vacation

Junior Vacation courses are a complete package combining English classes, accommodation, activities, social programmes and excursions for students from all over the world. In summer, BLC uses the city centre

facilities of the University of Brighton Grand Parade and Pavilion Parade for classrooms and hot lunches which are served on site. All Junior Vacation courses run 7 nights, Sunday to Sunday, for arrival and departure.

Airport Transfers

Sunday coach transfers

BLC provides coach transfers at the times below for students arriving and departing from Heathrow or Gatwick Airport on Sundays (please check the website for updates).

The service operates on Sundays from/to London Heathrow and London Gatwick only.

Scheduled arrival:

Students must book flights to land at the airport between 8:00 and 18:00.

Scheduled departure:

Students must book flights to leave the airport between 11:00 and 21:00.

A BLC representative will be waiting for students in the arrivals hall at the airport. Once the BLC representative has collected students from the arrivals area, they are taken to a coach that is ready to go to our main school in Brighton.

Upon arrival at the school, a weekly Brighton bus pass is given to all Junior Vacation students, who are then collected by their host family and taken to their new home.

Private transfers

For students not arriving/departing within our coach transfer times or from another airport a private taxi must be booked with BLC to/from the accommodation.

Accommodation

Students live with one of our experienced host families who are within a 15 – 40 minute bus journey from the school.

Junior Vacation students are housed in a shared bedroom. Homestay accommodation encourages students to speak more English outside of the classroom and make new friends from around the world.

On the day of arrival the host family provides information about the local buses and how to travel to and from school so they are prepared for their first day at BLC.

Host families serve breakfast and dinner during the week and 3 meals at the weekend. Lunches are provided by BLC Monday through Friday.

Activities and Excursions

For all new students, Monday is the first day. There is an English test to determine the correct class level for all new students, together with an orientation so they are aware of the school rules, facilities and the schedule.

BLC provides a weekly schedule of activities and excursions which are in the morning or afternoon. Students are shown the activity meeting point on their first day at BLC and this is where they meet at set times with their activity leader. BLC also provides 3 evening activities per week, and students must attend these after having dinner with their host family. After the activity, students must return to their host family before their curfew.
